MORE THAN 1½ SERVINGS OF FRUIT* • 750mg POLYPHENOLS* • 100% JUICE • 100% NATURAL • NO ADDED SUGAR • NO PRESERVATIVES

PureBlue™ is made from just **five** premium ingredients, all of which are considered SuperFruits for their rich antioxidant levels.

Purely what nature intended.

PureBlue™. PureYou.

SuperJuice
Feel SuperGood

PureBlue™ is made from a delicious blend of wild blueberries, varietal red and white grapes, and black currants. 100% juice. 100% natural. More than 1½ servings of fruit. No sugar or preservatives added.

Wild Blueberries
"The Brain Berry"

This natural, delicious and healthy SuperFruit consistently ranks high for potency of antioxidants amongst other fruits and vegetables, and recent studies have shown that blueberries may enhance brain function.

Sophisticated Taste
Blended with
palette in mind

PureBlue™ has the sophisticated flavors of the finest wine grapes in the world. Delicious paired with food or on its own.

750 mg Polyphenols*
Unprecedented Potency

Polyphenols are naturally occurring antioxidants found throughout nature, and in high concentrations in fruits such as blueberries, red grapes, and black currants.

Varietal Grapes
The benefits of wine
without the alcohol

PureBlue™ is blended with the same grapes responsible for the benefits of red wine. It is high in Flavonoids and Resveratrol, powerful antioxidants found in the skins of grapes, and known for many healthful benefits.

Black Currants
High in Vitamin C

Black currants, which are deep in skin pigment, are very high in nutrients, Vitamin C, Potassium, and an Omega-6 essential fatty acid called GLA.
